How much will it cost to Collect my debt?

We offer three main debt collection services., depending on how large your debt is, any collection fee charged is levied on the invoice total only, meaning any statutory compensation (*what is this and how much?*) or statutory interest (*what is this and how much?*) is kept in full by you. This is designed to compensate you for your debt collection costs.

Debts between £1 - £550 - Debt Recovery Letter Service cost = £25.00

We offer a very cost effective service for small debts with our "Debt Collection Letter" service. We charge an up front fee of £25.00p with NO collection commission at all. [Click here](#) to read about this service or to order today.

Debts between £551 - £2500 - Tier1 Debt Collection Service cost = £29.95 + 10% collection fee

If your debts fall into this band then you qualify for our Tier1 Debt Collection service. We charge you an up front debt registration charge of £29.95 and a collection commission of just 10% . We only charge a collection commission on what is actually collected levied on the invoice total only. If we fail to collect the debt you will not be charged a commission.
